CAPABILITY STATEMENT

Rise Consulting, LLC is a consulting firm dedicated to enhancing well-being and resilience within communities. With expertise in forensic psychology, victimology, qualitative research and analysis, counseling, and trauma-informed care, we are uniquely positioned to support schools, educators, criminal justice system, and the public. We offer a range of services to include research, teaching, curriculum development, profiling, mental health therapy, and programs addressing the psychological impact of crime, violence, abuse, and trauma. We also offer trainings and professional development workshops for educators, staff, agencies, adults, youth, and ex-offenders.

Core Competencies

Our evidence-based mental health interventions aim to foster positive learning environments, promote emotional intelligence, and support at-risk populations. We offer comprehensive mental health services including trainings and workshops, curriculum development, teaching, and research that is professionally developed for government personnel and organizations on mental health awareness, trauma response, and resiliency.

Past Performance	Differentiators
Members of our team have served in the Air Force, worked for Families First of Florida (Mental Health Counseling), Life Management Center (Mental Health Counseling), Military and Family Life Counselors (MFLAC), and private practices. Collectively, our team has more than 30 years of experience providing mental health services to veterans, LGBTQ+, youth, couples, individuals, and families throughout various community organizations.	<ul style="list-style-type: none"> - Expertise in Forensic Psychology and Victimology - Psychological autopsies (suicide death investigations) - Batterers Intervention Programs - Anger Management Classes/Therapy - Offender Violence Risk Assessments - Pre-trial Assessments - In Depth Interviews - Objective Report Writing - Curriculum Development - Social Science Research - Trauma Recovery - Mental Health Counseling
